UN SDG 2030 LOGOS

UNITED FIRST LOGOS

GOAL 1: No Poverty

"Cloths Donation Campaign"

Date: 28th September 2019

State: Gujarat

City: Ahmedabad Rural

Target Achieved: Distributed Over 15,000 Clothes in 5 Villages

Purpose of the Drive:

Our Clothes donation drive is exclusively meant for the children and adults in the hospitals, children living near railway tracks, under flyovers, children of daily wagers at construction sites, under-privileged children in Govt. hospitals and to some of our city's most in-need populations.

Season is changing and your clothes from last year may not fit. If you notice clothes piling up in your family's closets – and you're looking for a way to help the less fortunate – donating clothes could be a super-easy start. Throughout the year, we collect all kinds of summer and winter clothes for children and adults at our collection centre.

A small gesture of yours will be a boon for poverty stricken, deprived people to stay happy during the cruel summer / winter season. So, show your generosity, and help us to collect as many as clothes to keep the deprived ones comfortable in harsh summers and winters. This year we initiated this movement will Elsner Group of technologies and donated over 15000 clothes in 5 villages.

Sustainability Duration: One Year

Associated partner organizations: Elsner Group of Technologies

GOAL 2: Zero Hunger

" Sign of Humanity Drive for COVID 19"

Date: 21st March 2020 onwards – May 2020

State: Gujarat, Maharashtra, Rajasthan,
Madhya Pradesh & Karnataka

City: Ahmedabad, Surat, Bhilwara, Indore,
Mumbai, Kolhapur District, Hubli, Belgam

Target Achieved:

- Distributed Over 1,65,000 meals in 5 State
- Distributed over 98000 Community Kits
- Initiated 14 Community Kitchens
- Distributed more than 35000 Tiffin's

Purpose of the Drive:

There is no exercise better for the heart than reaching down and lifting people up. Be the support system of your family, stay home, stay and help at least one people every day. Together we will win this fight. #Humanity #Covid19

Sustainable Community Kitchen - In this project, all the religious organization of the city, gets the grocery support from United First which then they convert into food packets and in end united first connect the local social organization for the further distribution.

Sustainable Community kits: During the time of extreme lockdown, United First help the society once in a week with all the supportive grocery which is distributed over a gate and further a concern person of society distribute it to all the family members.

Sustainability Duration: 3 Months

Associated partner organizations: Sanjay Ghodawat Foundation, SRK Foundation, Arihant Travel, Panchratna Jewelers & Elsner Group of Technologies

GOAL 3: Good Health and Well Being

" Psychological Helpline Center for COVID 19" & PPE Kits and Mask
Distribution Drive

Date: 21st March 2020 onwards – May 2020

State: PAN India

City: All the Cities

Target Achieved:

- Addressed over 5600 Calls and Still counting
- Distributed more than 800 PPE Kits
- Distributed over 10,000 Mask for COVID 19

Purpose of the Drive:

Small acts, when multiplied by millions of people, can transform the world. Serving humanity

Psychological counseling Initiative: Working as a life coach and motivational speaker sajan has initiated open psychological counseling free for everyone who are feel depressed or low or feeling mentally sick, can call his center and get the pump of motivation and positivity dose in an hour.

PPE Kits and mask are the most essential tools during COVID 19, we have distributed it in 14 places where our community Kitchens have been Placed.

Sustainability Duration: One Year

Associated partner organizations: TIMEX, Sanjay Ghodawat Foundation, SRK Foundation, Arihant Travel, Panchratna Jewelers & Elsner Group of Technologies

GOAL 3: Good Health and Well Being

"Cataract Eye – Surgery"

Date: 17th September 2019

State: Gujarat

City: Mandvi

Target Achieved: Declared over 7000 FREE Cataract Surgery with Divya Jyot Trust

Purpose of the Drive:

Cataracts affect the way you live your life. As a cataract progresses, the eye's lens becomes clouded, making it harder for you to read, drive, or perform other daily activities. Cataracts do not have to be a daily burden. Cataract surgery is a simple procedure that will have you back to performing your daily activities in no time. Cataract surgery improves your overall quality of life. It positively impacts the activities you perform each day, like reading, working, driving, and any other hobbies you may have. Some other common long-term benefits of cataract surgery include:

- Less dependence on glasses or contacts
- Improved self-confidence
- Safety
- Increased ability to perform daily activities

Cataract surgery is a simple procedure that provides you with numerous long-term benefits. If your cataracts are making your daily life difficult, it may be time to consider cataract surgery. By restoring your vision, you'll be able to enjoy your favorite activities again in no time. For this purpose we are providing now 7000 Free Surgery out for everyone in Mandvi.

Sustainability Duration: Life long

Associated partner organizations: Divya Jyoty Trust, I-Care and Spinta Global

GOAL 4: Quality Education

"Digital Quality Education Drive"

Date: 1st August 2020 to 30th August 2020

State: Gujarat, Maharashtra, Karnataka, madhya pradesh, uttar pradesh, kerala, Rajasthan, Tamil Nadu, Tripura, west Bengal, Bihar, Haryana, 2 ut – Jammu, Delhi

City: Ahmedabad, surat, Rajkot, bhilwada, udaipur, jaipur, indore, Bhopal, Mumbai, Pune, kohlapur, Belgaum, hubli, trivandrum, Chennai, Lucknow, Kolkata, Patna, agartala, Gurugaon, Delhi, Udhampur and Many more

Target Achieved: Adopting over 2,50,000 Young aspirants for free Digital Education

Purpose of the Drive:

2,50,000 students will be equipped with a digital platform consisting of 141 on demand courses with about 2500 chapters in 3 languages – English, Hindi, Gujarati. More than 25000 minutes of high quality coursestime available for young students to become equipped with practical skills, which include – programming, softwares, utility courses, creative courses, competent communicative skills. Web development, professional designing and modelling. These skills will help the child get good jobs and be self-sufficient as well as an innovator for the world.

Cost: you can adopt one student for an entire year with just 5 rupees example if you donate 1000, you will be able to provide digital education consisting of real-life skills to 200 children.

What: educating youth, nourishing minds, developing nation

What is this initiative all about?

United first with the support of teamex Edu has a set a vision of adopting 50,000 students and providing them the best quality digital education.

Few examples of the courses: microsoft office, c programming, java programming, autoCAD, english learning modules, animation, mobile programming, security, working online, operating system guides, database, useful computer skills, online services, business skills. Available in 3 languages – English, Hindi, Gujarati.

Sustainability Duration: Life long

Associated partner organizations: Sanjay Ghodawat Foundation, Ostwal, Bharat Vikas Parishad, SRK Foundation, Make a Smile Foundaion, Shree Sava Foundation and 220 More Organization

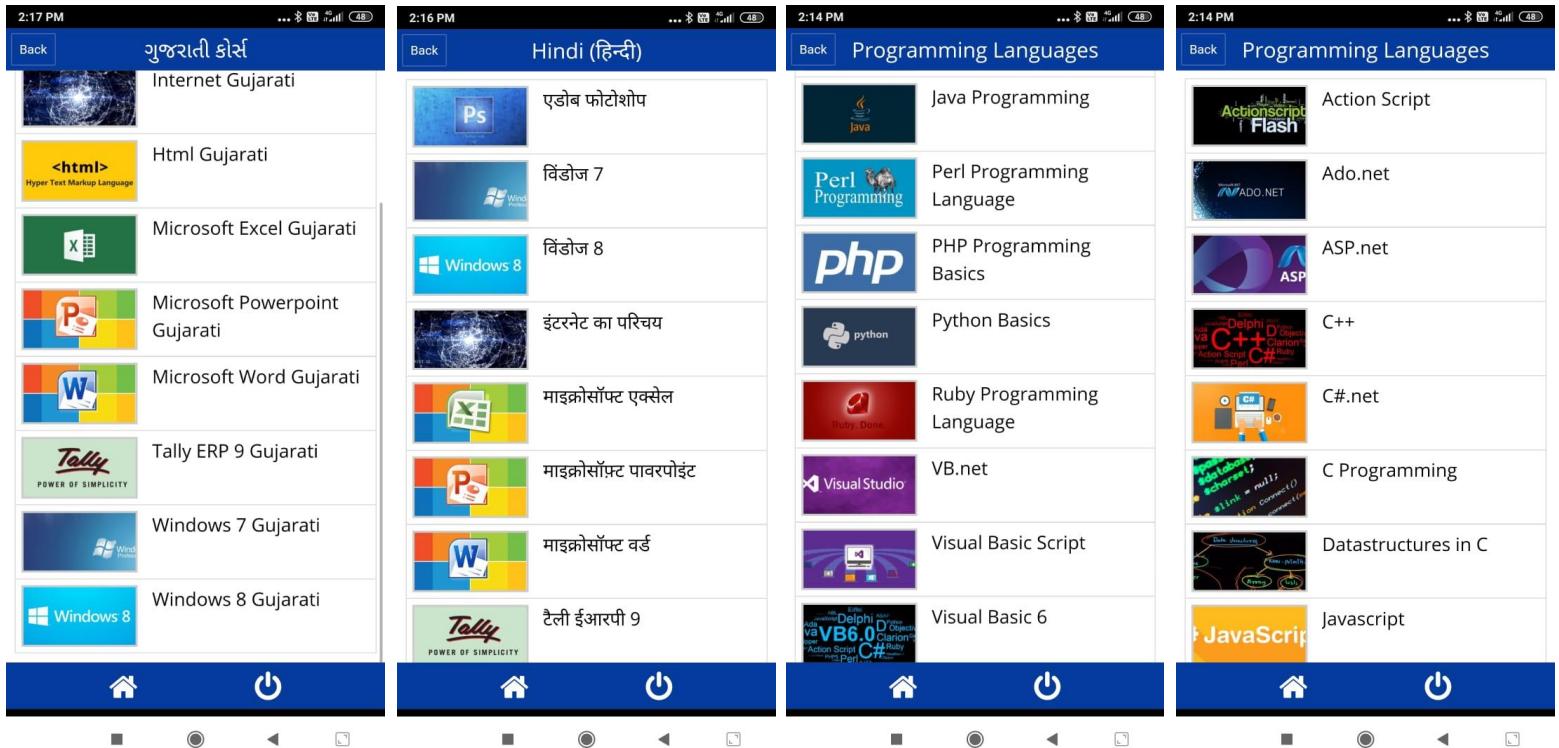

GOAL 4: Quality Education

"Digital Quality Education Drive"

Date: 1st August 2020 to 30th August 2020

State: Gujarat, Maharashtra, Karnataka, madhya pradesh, uttar pradesh, kerala, Rajasthan, Tamil Nadu, Tripura, west Bengal, Bihar, Haryana, 2 ut – Jammu, Delhi

City: Ahmedabad, surat, Rajkot, bhilwada, udaipur, jaipur, indore, Bhopal, Mumbai, Pune, kohlapur, Belgaum, hubli, trivandrum, Chennai, Lucknow, Kolkata, Patna, agartala, Gurugaon, Delhi, Udhampur and Many more

GOAL 4: Quality Education

"Youth Motivation Forum"

Date: 14th December 2019 to 24th December 2019

State: Gujarat

City: Ahmedabad

Target Achieved: Addressed over 38000 Youth and 15000 Parents in 10 Days. Touched 45 Schools and 8 Colleges

Purpose of the Drive:

From our extensive past experience and observations, we have seen the positive impact of this kind of an activity can change lives. Today's youth is faced with immense pressures to perform and lack of motivation for them can lead to a dysfunctional society. They need a constant reminder of their potentials and also a small reward for their effort can work wonders. It is not just about developing a better career but also about living a good life. Through our events and this platform we want to create a forum for the youth of India who can represent and impact the development of the Country. We want to create a group of young community shapers who in turn realise their responsibilities and abilities to uplift their community. If the youth is motivated enough for a better change, nothing can stop the community from rising. Social evils like illiteracy, poverty, hunger and unemployment can all be eradicated if the youth of a society are motivated enough to do so.

This can result in sustainable development of the state and an integrated society. This will also make the youth more politically aware and the role and efforts of the present government in creating opportunities for them. Ultimately this forum can act as a bridge between the youth of the state and the government, highlighting the initiatives taken by the government on the ground level to improve the lives in the state.

Sustainability Duration: Life long

Associated partner organizations: Het Graphics

GOAL 4: Quality Education

"Youth Motivation Forum"

Date: 1st Feb to 9th Feb 2020

State: Maharashtra

City: Kolhapur District

Target Achieved: Addressed over 28000 Youth and 12000 Parents in 10 Days. Touched 30 Schools and 4 Colleges

Purpose of the Drive:

From our extensive past experience and observations, we have seen the positive impact of this kind of an activity can change lives. Today's youth is faced with immense pressures to perform and lack of motivation for them can lead to a dysfunctional society. They need a constant reminder of their potentials and also a small reward for their effort can work wonders. It is not just about developing a better career but also about living a good life. GOAL 6: Clean Water & Sanitation

"Sanitary Pads Distribution Drive"

Date: 15th July 2020 to 30th July 2020

State: Gujarat, Maharashtra, Rajasthan, Madhya Pradesh, Karnataka, Uttar Pradesh, Delhi & Jammu

City: Ahmedabad, Surat, Jamnagar, Bhilwara, Udaipur, Kolhapur, Mumbai, Satara, Hubli, Belgaum, Lucknow, Delhi, Jammu, Kathua and Udhampur

Target Achieved: Distributed Over 1,00,000 Sanitary Napkins from this Drive

Purpose of the Drive:

COVID-19 has impacted millions of people. The worst-hit are the poor, migrants, and daily wage workers. There has been a surge in cases & the situation will only get worse before it gets better. For girls and women from financially weak backgrounds, the issue is compounded by the inaccessibility of menstrual hygiene measures. While we take menstrual hygiene for granted, it is a luxury for them.

Women and girls from low-income backgrounds have been facing a massive menstrual hygiene crisis due to the pandemic. The only source of sanitary napkins for most school-going girls was from government schemes that supply them through government schools, which remain closed amidst the lockdown. Similarly, minimum wage daily labourers women/migrants workers and those from poor homes are unable to afford sanitary napkins as they suddenly have no or very less income. This leads to them using unhygienic methods like paper, rags, etc. This leads to UTIs and other health problems.

The USP of sanitary napkins is that it has been designed by a 7-layer system and with the anion chip in it which has the capacity to absorb up to 180ml of liquid. This unique napkin has been designed by Teamex Foundation.

Sanitizer (v): Type of antimicrobial that kills or irreversibly inactivates at least 99.99% of all bacteria, fungi, and viruses present on any given surface or environment. The Need for this drive is - Developing Immunity, Germ-free environment, less hygiene-conscious & Responsibility for hygiene and sanitation. We have distributed over 400 sanitation spray in and adopted over 200 families for over a year in order to prevent diseases like Cholera, Infectious hepatitis, Gastroenteritis. Moreover, Diseases that can be prevented would be Food poisoning, Diarrhea, Trachoma, Typhoid, Pneumonia, and Skin Infections & Communicable Diseases.

Sustainability Duration: 4 Months

Associated partner organizations: Sanjay Ghodawat Foundation, Ostwal, Bharat Vikas Parishad, SRK Foundation, Make a Smile Foundation and 34 More Organization

GOAL 6: Clean Water & Sanitation

GOAL 9: Industry, Innovation and Infrastructure

"One Step towards Effectivity, Sustainability & Innovation in IT Field"

Date: 15th February 2020

State: Gujarat

City: Ahmedabad

Target Achieved: Dialogue with 500 Participants working with Elsner Group of Technology towards Goal 9 of SDG

Purpose of the Drive:

A growing population is increasing the demand for already constrained natural resources. Innovation allows organizations to stay relevant in the competitive market, it also plays an important role in economic growth. The ability to resolve critical problems depends on new innovations and especially developing countries need it more than ever.

Innovation refers to creating more effective processes, products, and ideas. For a business, it could mean implementing new ideas, improving services or creating dynamic products. It can act as a catalyst that can make your business grow and can help you adapt in the marketplace and help an individual to play much more effective role for the development towards SDG.

We have initiated a new movement for all the leading ceramics Industries on building up the concept on Goal 9.

Sustainability Duration: One Year

GOAL 12: Responsible Consumption and Production

"Responsible Consumption & Production – Kamal Dogra"

Date: 15th August 2019

State: Gujarat

City: Ahmedabad

Target Achieved: Addressed over 1500 youth in one day

Purpose of the Drive:

A growing population is increasing the demand for already constrained natural resources. Sustainable consumption and production is fundamental to a sustainable and equitable future by "doing more and better with less": increasing economic gains and quality of life, while reducing resource use and degradation.

By supporting high quality carbon finance projects, businesses can deliver essential emission reductions and support low carbon sustainable development in areas most in need.

We have initiated a new movement for all the Industries on building up the concept of Responsible Consumptions and Productions and addressed over 100 Key note Employees and Decision takers of the Company.

Sustainability Duration: One Year

Associated partner organizations: Kamal Dogra Foundation

GOAL 12: Responsible Consumption and Production

"20 Responsible Consumption & Production"

Date: 15th August 2019

State: Gujarat

"Plantable Pencil Drive"

Date: 15th June 2020 to 30th June 2020

State: Gujarat, Maharashtra, Rajasthan, Madhya Pradesh, Jammu & New Delhi
City: Ahmedabad, Rajkot, Surat, Mumbai, Pune, Kolhapur, Indore, Jammu, Delhi, Bhilwara & Udaipur

Target Achieved: Over 40000 Plantation Done Using Plantable Pencil

Purpose of the Drive:

Why choose a Plantable Pencil? Plantable pencils are 100% sustainable. All aspects of the plantable pencil are sustainable and non-toxic – from the biodegradable seed capsule to the 100% natural clay and graphite core and PEFC/FSC- wood. Most pencils, once sharpened down to a stub, serve no further use. At United First, we have created a solution to combat this waste. A pencil with a water activated seed capsule which can be planted when it becomes too short to use. What was once a writing utensil soon grows into an herb?

Quality pencils, quality seeds – Regardless of whether you choose Plantable pencils in color or in grey, they are a joy to use. And when it's time to stop writing and start planting, you'll find it's just as much fun to watch the seeds turn into plants. All Plantable Pencil seeds have been selected because they are easy to germinate. So, you can enjoy vibrant flowers, fragrant herbs or fresh vegetables.

Our Target – We have set the Target to plant over 2 Million Plantable Pencils in coming year. They usually germinate in about two weeks. We are encouraging storing Sprout in a cool, dry place until planting time. For best results, plant by its first birthday and follow gardening best practices. **Switch from USE "n" Throw To USE "n" Grow**

Sustainability Duration: Life Long

GOAL 13: Climate Actions

"Tree Plantation Drive"

Date: 12th October 2019

State: Gujarat

City: Ahmedabad

Target Achieved: Initiated Green Movement with over 100 Plantation Drive in Ahmedabad

Purpose of the Drive:

Plantations of trees is important as they improve the life and fulfil essential needs of mankind. During photosynthesis, the trees breakdown food materials and consume carbon dioxide. Resultantly with the help of sunlight, the trees produce carbohydrates. Moreover, trees support life by providing habitat to different species such as squirrels, bees and birds. Trees cleanse the climate by absorbing carbon dioxide from the environment and releasing oxygen. The trees cool the environment through their leaves by absorbing the sun heat. Thus, there occurs cooling in the atmosphere. The trees provide shades to houses and streets.

Trees clean the air by absorbing harmful chemicals such as nitrogen oxide and removing dust particles from the air by absorbing them in their leaves. Another importance of planting trees is that they save the water from impurity. Trees stop water pollution by breaking the direct fall of rainfall to the ground. Through trees, we make furniture and produce materials like books and papers. Trees help to relax and to reduce blood pressure. Different species of trees also relax the mood of people. Keeping this perspective in mind we initiated first green movement in Ahmedabad on 2nd October.

Sustainability Duration: One Year

GOAL 13: Climate Actions

"Environment Peace and Harmony"

Date: 6th June 2019

State: Maharashtra

City: Mumbai

Target Achieved: Addressed over 6000 people LIVE and 100 Million People through Channel under the Leadership of Sadhguru, Baba Ramdev, BK Shivani and Acharya Dr. Lokesh

Purpose of the Drive:

On the Occasion of World Environment Day, we initiated this movement under the Leadership of Acharya Dr. Lokesh muni, in NSCI Dome, Mumbai. It was a dialogue and commitment drive which an embark for the social development through Interfaith Dialogue. Interfaith dialogue refers to cooperative, constructive, and positive interaction between people of different religious traditions (i.e., "faiths") and/or spiritual or humanistic beliefs, at both the individual and institutional levels. It is distinct from syncretism or alternative religion, in that dialogue often involves promoting understanding between different religions or beliefs to increase acceptance of others, rather than to synthesize new beliefs.

With the support of Ahimsa Vishwa Bharti we have taken over this project to 25 cities in India and 5 Countries Subsequently. The entire project has been led by Peace ambassador of World – Acharya Dr. Lokesh Muni...

GOAL 16: Peace, Justice and Strong Institutions

"Interfaith Dialogue With G.O.G"

Date: 1st March 2019

State: Gujarat

City: Surat

Target Achieved: Addressed over 1500 people under the Leadership of Hon. Governor of Gujarat and Peace Ambassadors of India

Purpose of the Drive:

Social development is about putting people at the centre of development. This means a commitment that development processes need to benefit people, particularly but not only the poor, but also a recognition that people, and the way they interact in groups and society, and the norms that facilitates such interaction, shape development processes. Interfaith dialogue refers to cooperative, constructive, and positive interaction between people of different religious traditions (i.e., "faiths") and/or spiritual or humanistic beliefs, at both the individual and institutional levels. It is distinct from syncretism or alternative religion, in that dialogue often involves promoting understanding between different religions or beliefs to increase acceptance of others, rather than to synthesize new beliefs.
